

MASS INTENTIONS

Dear Parishioners,

I want to thank Ken Patry who is the president of our parish finance council for his giving our annual parish financial report and stewardship talk at this weekend's Masses. As you will have heard, the parish financial situation continues to be strong. This is due to your generosity. Hence I want to thank all who support our parish through your contribution of your treasure. Also, I express my gratitude to all who exercise stewardship through the giving of their time and talents in service to the various needs of our parish. In attending to the material needs of St. Joseph's Parish through the giving of your time, talent, and treasure this is ultimately an act of love for God and a demonstration of our gratitude for all His blessings. All of us are challenged thus to make sacrifices for the well-being and operation of our parish as an offering of praise to our Lord.

Also, I thank you for your generosity to the annual Archbishop's Appeal, which provides for various archdiocesan needs. Every year our parish has gone over the goal set by the archdiocese for St. Joseph's, which is about \$12,000.

God Bless, Fr. Gutowski

PLEASE CHECK: LAST QUARTER ENVELOPES

You should have received your last quarter envelopes. You may have noticed an error in the number printed on it. Due to a computer glitch at the printing company, the numbers were incorrectly printed on most envelopes. We are aware of this and it will present NO problem. If you know your number, cross out the incorrect one and replace it with your correct number. If you do not know it, I will change it. Also if you do not get envelopes at all, please call Sharon at 402-253-2459 ASAP so she

can recommit yourself to being good stewards in praise of the Lord's goodness.

DEVELOPMENT OF AN UNBORN BABY

Week 27- My nervous system is continuing to develop so I can breath and swallow better. It also helps keep my body at the right temperature so I won't get too hot or too cold.
