BLOOD DRIVE RECAP

On a rainy April day in Springfield the sun was shining at

the Springfield Community Blood Drive. Our goal was to collect 40 Units. We passed the goal and SMASHED the next highest units ever collected in Springfield by collecting 59 units. No, the 59 is NOT a TYPO. I cannot be any prouder than to be part of this milestone. I, along with the Red Cross, want to thank all who donated, all who attempted to donate, the Fire Dept. for their building, the local merchants who let us put up flyers and everyone else who made this happen. Once again thanks to all.
