**LEARNING NATURAL FAMILY PLANNING WITH CCL**

Safe, healthy, effective, moral...and it can change your hearts in surprising ways!

The Couple to Couple League offers instruction in the Sympto-Thermal Method of Natural Family Planning through local classes and a Home Study Course. The Main NFP Series also includes optional classes in the Postpartum and Pre-menopause times, which can bring unique challenges as fertility transitions. Some Teaching Couples also offer an Upgrade Class which is designed to refresh the skills of former students and bring them up-to-date on CCL's current methodology. For more information visit [cclomaha.org](http://cclomaha.org) or call 402-571-4111.

Each year on June 20th the United Nations and countless civic groups around the world celebrate World Refugee Day. Every minute, eight people around the world are forced to flee their homes due to war and persecution. World Refugee Day was established by the United Nations to honor the courage, strength and determination of women, men and children who are forced to flee their homes under threat of persecution, conflict and violence.

**THANK YOU**

I would like to thank everyone who attended my 80th birthday party and for all the cards and gifts I received.

**BULLETIN BLOOPERS (Not Ours)**

Bulletin for the Sixteenth Sunday in Ordinary Time, July 17, 2011.

Congratulations to Lacey Weiss & Jeffrey Richardson who were united in marriage on Saturday October 4th at St. Mary's Church in Durand.

Our next song is "Angels We Have Heard Get High."

This being Easter Sunday, we will ask Mrs. Lewis to come forward and lay an egg on the altar.
