LEARNING NATURAL FAMILY PLANNING WITH CCL

Safe, healthy, effective, moral...and it can change your hearts in surprising ways!

The Couple to Couple League offers instruction in the Sympto-Thermal Method of Natural Family Planning through local classes and a Home Study Course. The Main NFP Series also includes optional classes in the Postpartum and Pre-menopause times, which can bring unique challenges as fertility transitions. Some Teaching Couples also offer an Upgrade Class which is designed to refresh the skills of former students and bring them up-to-date on CCL's current methodology. For more information visit cclomaha.org or call 402-571-4111.

STEPHENS' CENTER

Many thanks to Lyn Kulm, Larry & Kathy Kaiser, Sue Miles and Helen Fox for preparing and serving the dinner to the guests at the Stephens' Center on June 18. Your work was greatly appreciated.

Today we celebrate the Nativity of John the Baptist. John, the cousin of Jesus, is a miracle baby born to elderly Zechariah and Elizabeth, who thought they were too old to have a child. Sometime new life surprises us and we can only respond with awe and gratitude. Let us pray today for new life for the world, our community, our family and ourselves.
