Week of August 9, 2015

**Thank You!**

All of the Knights just want to say thanks (from the bottom of our hearts) to everyone who helped out by working in the Knights food booth at the fair this year. As a group we can purchase and get donated the food and materials needed to make the booth go, but the bottom line is that without the people to work in the booth we would accomplish nothing. The funds raised at this booth during the fair support a majority of our parish activities throughout the year. Once again, thanks!

**Knight of the Month for July 2015 – Denny Schmidt**

Again this year, Denny procured all the necessary food items and ensured the kitchen in the Fair Booth was ready. He could be seen at the Fair on a daily basis making sure everything was going as planned. Denny played a critical role in the booth's success this year. Denny is always available and selflessly assists with numerous projects critical to our parish and community.

**Knights Family of the Month for July 2015 – The Kessler Family**

Jerry and his wife Lisa, along with daughter Cassie, helped make the sloppy joes we served during the Fair. Jerry also spent countless hours helping us to prepare for the Fair by coordinating and installing the new exterior addition. Jerry also made himself available during the Fair to cook on several different shifts. Jerry also headed up our Habitat for Humanity project in July. The Kessler family stands as role models for all members of our Parish and Knight's Council.

Please don't hesitate to say thanks to these worthy recipients for all their efforts.
