Applications are in the KOC mailbox; they must be returned by April 1, 2011. Contact Tim Ihry or Dorothy Foged, if you have questions.

LIFE SAVING SCREENINGS

St. Joseph Catholic Church is going to host health screenings that could save your life. We are pleased to offer a preventive health event. Life Line Screening, the nation's leading provider of community-based preventive health screenings, will host their affordable, non-invasive, painless health screenings on Friday, April 1, 2011. Screenings will be offered that scan for potential health problems related to: blocked arteries, which is a leading cause of stroke; abdominal aortic aneurysms, which can lead to a ruptured aorta; hardening of the arteries in the legs, which is a strong predictor of heart disease; and atrial fibrillation or irregular heartbeat, which is closely tied to stroke risk. Register for the Stroke, Vascular Disease and Heart Rhythm Package for \$139.00. (Cost of all the screenings). All four screenings take 60 - 90 minutes to complete. Your Health is in Your Hands, so call 1-800-324-1851 or visit www.lifelinescreening.com. for more information or to pre-register.
