**NEW PARISH WEBSITE**

A beautiful new parish website has been created by Irana and John Harrington. It can be accessed by going to [st.josf.com](http://st.josf.com). Please take time to look at this website. It contains all bulletins, anything new happening in our parish, upcoming events by all the various groups, the parish calendar as well as the RE calendar, and blogs by Father. If you are looking to rent the parish hall you can browse the parish calendar to see what dates are open. New parishioners can register online as well as registrations for RE, Totus Tuus, Fair help and most other activities. Very shortly all the EMHC, Lector and Server schedules will be available. It is a continuous work in progress and you should bookmark it so you can access it quickly to know the latest happening, pictures of events and so much more. We will try to update you on new things on the site. We would also like your feedback and suggestions. They can be emailed to Sharon VanTassell's email address. If you have any questions, please contact Sharon, Sherry Huntwork or Fr. Gutgsell.
