ATTENTION POTENTIAL MOWERS

Much to your dismay, the mowing season has not ended. As long as the grass continues to grow, the grass needs to be mowed. There are many of you who have never offered to mow and trim the parish grounds. And a few members have done it numerous times. It is not right to expect a few to do it all. If you have never done it, we encourage you to sign up to mow. The automatic watering system has been shut off for the year so growth should be minimal. It is a great way of giving back for so much that you have received. Please consider this plea and sign up!
